# **The Heart of Healing**

With

**Richard Jelusich PhD.**

**Renee Branch CMT, CHt. & Dorothea Smothermon**

**Join us for a fabulous retreat that will be rich with a variety of healing modalities to include:**

**\*Healing at a Soul Level**, healing from the whole human perspective.

**\*The Psychology of the Chakra's** identifying the dominant chakras affecting our mental, spiritual, physical and emotional dispositions in life.

**\*An evening demonstration of Flower Readings by Dr. Jelusich**  
Flower readings are fun, accurate, entertaining, and will give you a lot to think about. Dr. Jelusich gives a reading on the *state of your life now*, your path and characteristics.

**\*Cayce Remedies with Renee Branch.** Various Cayce remedies will be demonstrated on lucky volunteers.

**\*Color Healing with Dorothea Smothermon.** Pre conference lecture

The spiritual evolution of your soul is Dr. Jelusich most profound concern. He blends science, metaphysics, light, sound and form to de-mystify metaphysics, to self-empower the individual, and to help us discover our multidimensional reality.

Renee Branch is the Field Conference Coordinator at A.R.E. Headquarters in Virginia Beach. She teaches Hydrotherapy, Cayce Remedies, Reflexology, and Reiki at the Cayce Reilly School of Massotherapy.

Dorothy Smothermon has lectured for the A.R.E. for many years. Her special area of interest is Numerology and Color Healing. Dorothy recently retired from her position as Region Coordinator for the A.R.E. in Southern California.
